1) **THE AVERILL SCHOLARSHIP**
The $1,000 scholarship goes to three outstanding sophomore chemistry majors. This year’s recipient are Danielle N. Chirdon, Elizabeth A. Gilje, and Michael G. Olah.

2) **THE VALSEPAR AWARD**
The Valspar Company of Pittsburgh presents the Valspar Award to two outstanding chemistry majors. The award consists of a summer internship at Valspar and a $2,000 scholarship for use during the student’s junior or senior year of study here at the University of Pittsburgh. These Awards will be presented by Dr. Chuck Skillman of the Valspar Corporation. This year’s recipients are Allen J. Pisten, and Andrew J. Slivosky.

3) **THE ESTHER AND TOBIAS DUNKELBERGER MEMORIAL SCHOLARSHIP**
This $500 award is given by the Dunkelberger Family in honor of Esther and Tobias Dunkelberger. It is given to a chemistry major who has excelled academically and been involved in departmental outreach programs. This year’s recipient is Daniel R. Mandell.

4) **THE ORGANIC DIVISION UNDERGRADUATE RESEARCH FELLOWSHIP**
This award to support a summer undergraduate research student working with a member of our organic faculty is presented to Nora E. Jameson.

5) **LILLY SUMMER RESEARCH FELLOWSHIP**
This award to support undergraduate research is presented by the Lilly Corporation to an outstanding undergraduate researcher. This award will be presented by Dr. David Barda of the Eli-Lilly Corporation. This year’s recipient is Nathaniel J. Mohney.

7) **THE TEPLITZ MEMORIAL SCHOLARSHIP**
The Teplitz Scholarship, presented in honor of Abraham and Anna Teplitz-Horowitz, is given to two chemistry majors who has demonstrated academic excellence and involvement within our undergraduate program. This $2,000 scholarship goes to Rachel P. Phillippi, Devin E. Potts and Andrew J. Slivosky.

8) **THE LUBRIZOL SCHOLARSHIP**
The Lubrizol Company presents a $1,000 scholarship to two chemistry majors who have demonstrated outstanding academic performance, leadership and involvement in the undergraduate program. This year we honor Brandon Mills and Courtney A. Valko.

9) **THE RITA R. and DAVID A. ROSSI SCHOLARSHIP**
This $1,000 scholarship, created by the late Mr. David Rossi in honor of his parents is presented to a chemistry major who has demonstrated academic excellence. This year’s recipient is Richard P. Fiorella.

10) **THE RICHARD F. ZARILLA AWARD**
This $1,000 award is presented to three Chemistry majors to provide educational needs to students who demonstrate academic excellence in Chemistry and involvement in our undergraduate program. This year’s recipients are David M. Hanna, Mary Ellen Lisman and Nathaniel J. Mohney.
11) **THE MERCK AWARDS**
Merck and Company presents to the senior pre-professional chemistry majors with the most outstanding records, a personal imprinted copy of the Merck Index which gives detailed information on over 10,000 chemicals, drugs and biologicals. This award goes to Leah A. Fow and James P. O'Connor.

12) **THE SILVERMAN PRIZE**
The Silverman Prize, in honor of our Department’s 2nd Chair, is presented to the senior female pre-professional student with the highest academic record. This $300.00 prize goes to Leah A. Fow.

13) **THE AMERICAN INSTITUTE OF CHEMISTS AWARD**
A certificate of achievement, student membership in the American Institute of Chemists, and a subscription to the publication The Chemist go to a senior who, on the basis of a demonstrated record of leadership and scholastic achievement, has shown the potential for advancement of the chemical profession. This year’s awardee is Max Osipov.

14) **THE COLLEGE AWARD**
The College Award is presented by the Society for Analytical Chemists of Pittsburgh to an outstanding senior chemistry major. This award includes a certificate of achievement, $300 in cash, the placement of the recipient’s name on a plaque in the lobby of the Chevron Science Center, and $100 given to the Chemistry Library to purchase a book in honor of the awardee. Nancy L. Czaicki is this year’s recipient.

15) **THE MARY LOUISE THEODORE PRIZE**
This $500 award is presented by Michael Theodore in memory of his deceased wife, a noted analytical chemist and educator. This year it is given to five senior chemistry majors who have excelled academically and been involved in our undergraduate program through such things as research, teaching and volunteer service. Presented by Mr. Theodore, this year’s recipients are Matthew A. DeNardo, Samuel E. Getchell, Lance A. Mabus, Jeffrey J. McCullough, and Erin L. Walsh.

16) **THE PHILLIPS MEDAL**
The Phillips Medal and a $500 award, the Department’s highest award, honors Francis Clifford Phillips, the first chairman of the Department. It is presented annually to the senior chemistry major with the most outstanding record. This year’s awardee is: Lauren M. Smith.
