Subject: Undergraduate, Grad and Postgrad Opportunities at the U.S. Department of Energy

The DOE Scholars Program introduces students and recent college graduates to the U.S. Department of Energy (DOE) mission and operations.

Application Deadline: January 3, 2020 4:00 PM EST

Apply Now! <https://www.zintellect.com/Opportunity/Details/DOE-Scholars-2020>

Why should I apply?

Being selected as a DOE Scholar offers the following benefits:

- Stipends starting at \$600 per week for undergraduates and \$650 per week for graduate students and post graduates during the internship period
- Limited travel reimbursement to/from assigned location
- Direct exposure to and participation in projects and activities in DOE mission-relevant research areas
- Identification of career goals and opportunities
- Development of professional networks with leading scientists and subject matter experts

Eligibility

- Be a U.S. citizen
- Be an undergraduate, graduate student, or recent graduate of an accredited institution of higher education majoring in science, technology, engineering, mathematics, and related areas.
- Must be pursuing a degree or have received a degree within 5 years of their starting date in a science, technology, engineering or mathematics (STEM) discipline **or** have demonstrated interest or experience in a STEM field that supports the DOE mission.

Location

Hosting sites are located across the United States and will vary based on internship assignment.

How to Apply

Applications and supporting materials must be submitted at <https://www.zintellect.com/Opportunity/Details/DOE-Scholars-2020>
