**Subject:** Explore PAID internship opportunities at Oak Ridge National Lab!

*Looking for a paid STEM internship opportunity?  
**This event is for you!***

On February 20, from noon to 3 p.m. ET, the Oak Ridge Institute for Science and Education (ORISE) is hosting a virtual career fair to highlight the paid internships, fellowships, and research associate programs available to college students and recent graduates at Oak Ridge National Laboratory (ORNL), the largest U.S. Department of Energy science and energy laboratory!

During the ORNL Science Education and Workforce Development Virtual Career Fair, you'll have the opportunity to:

- **CHAT** with ORNL scientists about their research
- **LEARN** about the research and support areas that make up ORNL
- **EXPLORE** the paid internships, fellowships, and research associate programs at ORNL
- **CONNECT** with recruiters and get your questions answered

**Register Today!**
