Subject: ORISE to host Virtual Recruitment Fair!

ORISE to host Virtual Recruitment Fair for college students, recent graduates in STEM

On Wednesday, July 29, from 12 to 3 p.m. ET, the Oak Ridge Institute for Science and Education (ORISE) is hosting a virtual recruitment fair to highlight the variety of paid internships, fellowships and research associate appointments available within our Research Participants Program.

During the event, you'll have the opportunity to:

CHAT with recruiters and mentors from different Department of Defense research programs.

LEARN about the research conducted within those programs.

EXPLORE the paid internships and research associate appointments.

CONNECT with recruiters and get your questions answered.
