Subject: Deadline alert: Spring 2022 internship opportunities at Oak Ridge National Laboratory

Apply now for spring 2022 internship opportunities at Oak Ridge National Laboratory!

[Oak Ridge National Laboratory \(ORNL\)](#), the largest U.S. Department of Energy (DOE) science and energy laboratory, participates in DOE's Community College Internships (CCI) and Science Undergraduate Laboratory Internships (SULI) programs. These programs are sponsored and managed by the DOE Office of Science's Office of Workforce Development for Teachers and Scientists (WDTS) in collaboration with DOE national laboratories.

The CCI and SULI programs are now accepting applications for spring 2022! The deadline to apply is **Wednesday, October 6, 2021, at 5 p.m. ET.**

About the CCI Program

The [Community College Internships \(CCI\) program](#) encourages community college students to enter technical careers relevant to the Department of Energy (DOE) mission by providing technical training experiences at DOE laboratories. Selected students contribute to technologies or instrumentation projects under the guidance of laboratory scientists or engineers. [Apply now!](#)

About the SULI Program

The [Science Undergraduate Laboratory Internships \(SULI\) program](#) encourages undergraduate students and recent graduates to pursue science, technology, engineering, and mathematics (STEM) careers by providing research experiences at Department of Energy laboratories. Selected students perform research under the guidance of laboratory staff scientists or engineers. [Apply now!](#)
