ORISE to host FBI virtual career fair

Join the Oak Ridge Institute for Science and Education (ORISE) on **Wednesday, April 20, from 1 to 3:30 p.m. ET**, for a virtual career fair highlighting opportunities for college students, recent graduates and faculty in the [FBI's Visiting Scientist Program](#).

During the event, you'll have the chance to:

- **CHAT** with ORISE representatives and mentors from the FBI
- **LEARN** about the research and/or projects conducted at the agency
- **EXPLORE** paid research opportunities at the FBI
- **NETWORK** with other prospective applicants

Gene Peters, chief of counterterrorism and forensic science research at the FBI Laboratory, will give a live presentation at the event.

Note: Opportunities at the FBI are only open to U.S. citizens.
