**Subject:** USM Polymer Science & Engineering Summer '23 REU Program APPLICATIONS OPEN

Good morning,

I am reaching out to let you know that the University of Southern Mississippi's School of Polymer Science and Engineering is now accepting applications for our 2023 Summer REU Program. We are offering 10 weeks of valuable hands-on research experience in one of the nation's top polymer science and engineering programs. Please distribute this widely within your networks.

**Research Areas include:**

- Design for Recyclability and Degradability
- Materials for Sustainable Energy
- Sustainable Polymers: (Bio) Renewable Feedstocks and Resource-Efficient Processing

**Benefits include:**

- \$6000 summer stipend
- On campus housing
- Limited travel budget
- Team building activities and field trips.

**Program Dates:**

Monday May 22<sup>nd</sup> 2023– Friday 28<sup>th</sup> July 2023

Application deadline: March 1<sup>st</sup> 2023
