Subject: Dept. of Labor Chemistry/Physical Sciences Student Internship Opportunity in South Park, PA

Good morning,

I would like to share a Chemistry/Physical Sciences Internship-Student Trainee opportunity with the Department of Labor, Mine Safety and Health Administration (MSHA). The internship is located at MSHA's Pittsburgh Safety and Health Technology Center in South Park, PA. The Pittsburgh Safety and Health Technology Center provides technical assistance to MSHA's enforcement personnel and to mine operators nationwide. The position is in the Physical and Toxic Agents Division and will primarily assist with gas chromatography analytical work. **The position is posted on USAJOBS.gov at the link below through February 21, 2019.**
