Dear Joseph,

I hope you are having a wonderful summer!

I'm hoping you can help us at IBP to connect students with STEM funding and professional development resources, by sharing the links below with your summer research students:

Students can **sign up** for periodic (4-6 emails per year) **notifications about deadlines for programs** that match their disciplinary interests and level of study: <http://www.pathwaystoscience.org/form.aspx>

Search Portable Graduate Fellowships (deadlines opening soon for academic year 2017-2018 funding):
