Pitt Ed Tech Days: Getting Started for Beginners, Aug. 8

Join us for the final session of Pitt Ed Tech Days, where we'll introduce beginners to educational technologies. This session will be held in person in B-26 Alumni Hall.
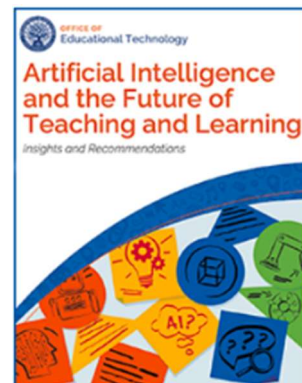

Technology Resources for Teaching

In the technology and equipment resource hub, you'll find a variety of support articles that can supplement your instructional needs, inlcuding articles on how to utilize different educational technologies.

Technology & Equipment Resources

Artificial Intelligence and the Future of Teaching and Learning

The U.S. Department of Education Office of Educational Technology's new policy report addresses the clear need for sharing knowledge, engaging educators, and refining technology plans and policies for artificial intelligence (AI) use in education.
